**Present the Plan for Adoption at City Council/Fiscal Court Meeting.**

**Send adopted plan to KY Transportation Cabinet to post on their website.**

**NEXT  
STEPS**

# LESSONS LEARNED

- ❖ **AVOID** using brick pavers for sidewalks or crosswalks. They create trip hazards as they settle.
- ❖ **Involve your Youth!** They will tell you problem areas going to school.
- ❖ **Use a GoPro camera** to show view points of an automobile driver, and bicyclist, pedestrian.
- ❖ **Use proper signage & road markings** as legally allowed in **MUTCD Manual**.
